A NIGHT TO PAWS GALA

SILENT AUCTION ITEM DONATIONS

MAY 3, 2025

6 - 9 PM

THE HILTON | GREENVILLE, NC

ABOUT US

The Humane Society of Eastern Carolina (HSEC) is a dedicated nonprofit organization committed to the welfare of animals. Founded on a mission of compassion and driven by the tireless efforts of volunteers and staff, our organization works to find homes for hundreds of animals every year.

HSEC is supported entirely by donations, fundraising events, and grants. We are not affiliated with national organizations such as the Humane Society of the United States or ASPCA. Our work encompasses rescue, rehabilitation, and rehoming efforts, ensuring that every animal receives the care and attention they deserve as we work towards a future where every creature can thrive.

ABOUT A NIGHT TO PAWS

Each year, the Humane Society of Eastern Carolina hosts a gala aimed at supporting our mission of improving the lives of adoptable animals in our community by providing compassionate care, promoting responsible pet ownership, and advocating for animal welfare.

Our 10th Annual A Night to Paws gala is scheduled for Saturday, May 3, 2025, at the Hilton Greenville. This exciting evening will feature delicious food, entertainment, a silent auction, a raffle, a bourbon pull, fun games, and more! There will be an open bar with a selection of beer and wine while supplies last as well as mixed drinks available for purchase.

The support of our community is crucial to our mission of combating pet overpopulation in Eastern Carolina. As the area's only no-kill shelter, and a completely independent, grassroots organization, we rely solely on community donations and receive no funding from national organizations like the Humane Society of the United States or the ASPCA, or any government sources. Events like A Night to Paws are vital to keeping our doors open and providing a second chance at life for homeless, abandoned, and neglected pets.

By supporting this event, you directly contribute to saving hundreds of animal lives each year and help us create a community where animals no longer suffer. Together, we can save them, one life at a time.
